Marilyn Gibson has volunteered to act as a committee of one for refreshments. She will call or contact various members before each meeting, if you are NOT contacted do NOT bring any lunch. Marilyn figures everybody is putting on too much weight and she is doing her bit to help us cut down.

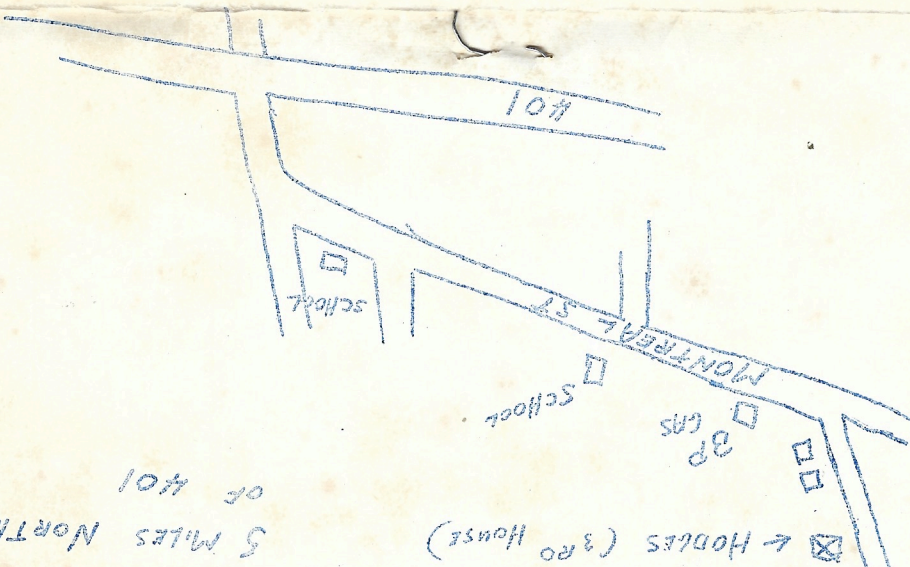

Yours truly is hollering for help. This bulletin writing is a bit of a chore and if any member has any noteworthy notes such as early settings, late hatchings, or unusual breedings, pass it on to the Editor to put in the Bulletin. The Bulletin could also be used as a means of buying and selling birds, etc.
