

KINGSTON & DISTRICT POULTRY & PET STOCK  
ASSOCIATION

Bill Fehr President  
Joy Fehr Secretary

Last meeting was held at the home of Sam Mulholland.

Our President Bill and Secretary Joy were selected to represent our Club at the Ontario Poultry Confederation Annual Meeting in Guelph.

The Executive Committee held an emergency meeting at the same time as our regular meeting to decide what we want to ask the Odessa Fair Board for the show in August.

Speaking about shows, Wilbur tells me that the poultry show in Ottawa Ex has been cancelled this year. The buildings have been condemned as fire hazards.

Del Gibson's two "female" doves have finally hatched a pair of young. The old needle and thread trick isn't fool proof is it Del? Thats alright, Del we had what we thought were two bachelor pigeons but now we have a young one in their pen.

Ron Appleby of Kingston has consented to judge the rabbits at our June show. Ron has many years of experience with rabbits over 'ome.

Speaking of rabbits, Babe Hodges has been bottle feeding a bunch of young, any breeds who were orphaned at the tender age of ten days. She started with six but one died and another had to be destroyed because it broke it's hip in a fall down the laundry chute.

How are you doing on the sale of raffle tickets? If you don't sell enough tickets somebody will have to donate a red pen to make the entries in our bookkeeping for the June show.

Next meeting will be held at:

Howard Mullens  
124 Campbell Crescent  
Kingston Ontario
